Overview: Denice Morris has performed hands on work as an artist, taught art courses, was formerly a director of an art museum in Kansas and has been producing Fine Art Appraisals since 1994. An avid collector, buyer and seller, Morris brings a well-rounded spectrum of experience into the appraisal field with her inspection approach as an artist early in her career to examining the market with fine detail for investment purposes. Morris has conducted estate sales, managed collections and exhibited her volunteer skills in the arts community for the state of Kansas, Morris brings more than 20 years to the Art of Estates team.
